LETTER FROM THE CHAIRMAN DUKEMOUNT CAPITAL PLC

(Incorporated and registered in England and Wales with registered number 07611240)
(Registered as an investment company under section 833 of the Companies Act 2006)

20 March 2024

Dear Shareholder,

I look forward to welcoming you at the Annual General Meeting on 16 April 2024. The Annual General Meeting will start at 10 a.m. at the offices of Peterhouse Capital, Floor 3, 80 Cheapside, London, EC2V 6EE.

1. Introduction

The purpose of this document is to convene an AGM to seek your approval for, *inter alia*, a Capital Reorganisation, which consists of a sub-division of the Existing Ordinary Shares of the Company and the renewal of the Company's share capital authorities, in respect of a proposed £300,000 subscription and any future equity fundraise.

2. Capital Reorganisation

The Company's share price is currently £0.0004, which is below the current nominal value of the Existing Ordinary Shares. As a Company cannot issue shares at less than nominal value it is proposed that the Company performs a share split to remedy this technical issue. The share capital reorganisation will have no economic implications for Shareholders.

It is proposed that each Existing Ordinary Share of £0.001 be sub-divided into one ordinary share of £0.0001 and one Deferred Share of £0.00099. The rights attaching to the New Ordinary Shares will be identical in all respects to those of the Existing Ordinary Shares. The Deferred Shares will have no voting rights, no entitlement to attend General Meetings of the Company, no right to any dividend or other distribution and will carry only the right to participate in any return of capital to the extent of the amount paid up or credited as paid up on each Deferred Share after the holders of Existing Ordinary Shares have received, not only the aggregate amount paid up on those shares, but also £1 million per New Ordinary Share. Accordingly, the Deferred Shares will, for all practical purposes, be valueless and it is the Board's intention, at an appropriate time, to buy-back the Deferred Shares (for a nominal sum) and subsequently apply to the Court to cancel the resultant capital redemption reserve that would be created.

The Deferred Shares will have the same rights as the deferred shares created on 12 January 2024.

Tax implications for Shareholders

For tax purposes, the New Ordinary Shares will result from a reorganisation of the share capital of the Company. Accordingly, holders of Existing Ordinary Shares should not normally be treated as making a disposal of all or part of their holding of Existing Ordinary Shares by reason of the share capital reorganisation. The New Ordinary Shares which replace their holding of Existing Ordinary Shares will be treated, for tax purposes, as the same asset and acquired at the date or dates as their holding of Existing Ordinary Shares.

3. Details of the Subscription

As announced on 20 March 2024, the Company has conditionally raised gross proceeds of £300,000 through a subscription of 750,000,000 New Ordinary Shares at a price of £0.0004 per share with a one for one warrant attached, subject to the Resolutions being passed at the AGM.

The Subscription Shares would represent approximately 43.62 per cent. of the Company's then enlarged issued share capital.

The Company is currently unable to admit new shares to trading on the standard segment of the Main Market without either the publication of an FCA approved prospectus or relying upon an exemption to the requirement to issue a prospectus. Consequently, the Subscription is by Paul Gazzard, a director of Dukemount, of the Subscription Shares with the attached Subscription Warrants, at the Subscription Price.

Immediately following Admission, Mr Gazzard has agreed to will sell the Subscription Shares and the Subscription Warrants, at the Subscription Price to unconnected investors.

If the Resolutions are passed, the Subscription Shares are expected to be issued shortly after the AGM and admitted to trading on the Main Market.

4. The Subscription Warrants

The Subscription Warrants are valid for three years from the date of Admission, exercisable at £0.0006 per New Ordinary Share. The exercise price of the Subscription Warrants is subject to adjustment in the event of any capital reorganisations by the Company.

The Subscription Warrants are (i) unquoted; (ii) transferable subject to the consent of the Company's board of Directors and (iii) without any shareholder rights.

The Subscription Warrants can only be exercised into New Ordinary Shares if the Company has regulatory authority to do so.

5. Share Authorities

The Directors are not able to allot any New Ordinary Shares unless they have been given the authority to do so by Shareholders in accordance with the Companies Act 2006 (as amended). Furthermore, the pre-emption rights, which attach to the New Ordinary Shares by virtue of the provisions of the Act prevent the Directors from issuing the New Ordinary Shares without first offering them to the existing Shareholders in proportion to their existing holdings, may only be disapplied with the express authority from Shareholders.

The need for additional authorities

The Company is seeking requisite authority from Shareholders for additional headroom for the Subscription and any fundraise in the future, to expire at the next AGM, to facilitate the furtherance of the Company as a cash shell.

The proposed new share authorities

The authorities sought by the Directors pursuant to resolutions 5 and 6 will allow the Directors to issue the Subscription Shares, the Subscription Warrants and raise additional capital in respect of any future equity fundraise.

Whilst the Directors appreciate this is a request for a substantial disapplication of shareholders' pre-emptive rights, the Directors are also that mindful additional cash resources will be required to make meaningful investments or undertake the process of a reverse takeover.

6. Amendment To Articles

The proposed Capital Reorganisation necessitates certain alterations to the Articles. These changes are proposed as Resolution 7 in order to include the rights and restrictions attaching to the Deferred Shares.

7. Annual General Meeting

In the usual way we ask and encourage to vote for the Annual General Meeting resolutions by appointing the Chairman as a Shareholder's proxy. Accordingly, Shareholders are encouraged to complete the Form of Proxy accompanying this Document which must be completed and returned, in accordance with the instructions printed on it, so as to be received by the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS13 8AE, United Kingdom as soon as possible, but in any event not later than 10 a.m. on 16 April 2024.

The meeting takes place at 10 a.m. on 18 April 2024.

The Chairman will then formally put the Resolutions to the meeting and advise of the proxy votes received in advance. The meeting will then formally close.

The results of the Annual General Meeting will be announced by Regulatory News Service and posted to the Company's website <http://www.dukemountcapitalplc.com/index.php> on the day of the Annual General Meeting. The business of the Annual General Meeting includes resolutions that public companies regularly bring to shareholders.

Resolution 1 is proposed as an ordinary resolution.

Resolutions 2 – Reappointment of Director

It is best practice that all Company Directors retire and offer themselves for reappointment at each Annual General Meeting. Accordingly, the existing director will be standing for reappointment at the Annual General Meeting.

Resolution 2 concerns the reappointment of Mr Dart

Mr Dart retires and offers himself for reappointment.

Geoffrey is a Merchant Banker and a director of Harrell Hospitality Group (HHG), with over 25 years' experience in the hotel and Independent Retirement Living industry. HHG is a hotel development and management company based in Dallas, Texas.

Resolution 3 is proposed as an ordinary resolution.

Special Business

Resolution 4 - Capital Reorganisation

Resolution 4 is an ordinary resolution to change the Company's nominal value to £0.00001 and create deferred shares of £0.00099 by way of sub-division.

Resolution 5 – Directors' authorities

Resolution 5 is being proposed as an ordinary resolution and will, if passed, enable the Company to issue up to 750,000,000 Subscription Shares, 750,000,000 Subscription Warrants and an additional 2,000,000,000 New Ordinary Shares (representing 291% per cent. of the issued share capital of the Company as at 20 March 2024, this being the latest practicable date prior to the publication of this document).

Resolution 6 – Disapplication of Pre-Emption Rights

Resolution 6 which is being proposed as a special resolution will, if passed, enable the Company to issue up to 750,000,000 Subscription Shares, 750,000,000 Subscription Warrants and an additional 2,000,000,000 New Ordinary Shares, for cash without first offering such New Ordinary Shares to existing Shareholders *pro rata* to their existing shareholdings.

Resolution 7 – Amendment to the Articles

The Company is proposing to amend the Articles by inserting new Article 6b, which sets out the rights attaching to the Deferred Shares.

Resolution 7 is proposed as a special resolution.

9. Basis of Voting

In accordance with the Articles, all Shareholders entitled to vote and be present by proxy at the Annual General Meeting have one vote in respect of every Existing Ordinary Share held.

In this way all proxy votes will count towards the voting.

10. Action To Be Taken

Shareholders will find enclosed a Form of Proxy for use in connection with the Annual General Meeting. Whether or not Shareholders propose to attend the Annual General Meeting, they are requested to complete, sign and return the Form of Proxy as soon as possible, in accordance with the instructions printed on it.

To be valid, the enclosed Form of Proxy must be lodged with the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE as soon as possible and, in any event, so as to arrive by no later than 10 a.m. on 16 April 2024.

If you are in any doubt as to what action you should take, you are recommended to seek your own personal financial advice from your broker, bank manager, solicitor, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended) if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser, immediately.

11. Recommendation

The Directors consider the passing of the Resolutions to be in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of the Resolutions.

The Directors intend to vote in favour of the Resolutions in respect of their own beneficial holdings of Existing Ordinary Shares (amounting to 8,558,973 Existing Ordinary Shares, representing approximately 0.88% of the issued share capital of the Company as at 20 March 2024).

If the Resolutions are not approved at the Annual General Meeting, the Company may not be able to raise equity funding, and if no alternative funding can be secured, the Company's ability to operate as a going concern will be put at risk.

Yours faithfully

Geoffrey Dart
Chairman

SHAREHOLDER NOTES

1. As a shareholder you are entitled to appoint a proxy or proxies to exercise all or any of your rights to attend, speak and vote at the Annual General Meeting. A proxy need not be a member of the Company but must attend the Annual General Meeting to represent you. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You can only appoint a proxy using the procedure set out in these notes and the notes to the proxy form.
2. A proxy must vote in accordance with any instructions given by the Shareholder by whom the proxy is appointed. A proxy has one vote on a show of hands in all cases (including where one shareholder has appointed multiple proxies) except where he is appointed by multiple shareholders who instruct him to vote in different ways, in which case he has one vote for and one vote against the resolution.
3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
4. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the meeting or any adjournment. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
5. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
6. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
7. The return of a completed proxy form or other instrument of proxy will not prevent you attending the Annual General Meeting and voting if you wish.
8. To have the right to speak and vote and the Annual General Meeting (and also for the purposes of calculating how many votes a member may cast on a poll) shareholders must be registered in the Register of Members of the Company no later than close of business on the day which is two days (excluding non-working days) before the day of the Annual General Meeting or any adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

9. If the Annual General Meeting is adjourned to a time not more than 48 hours after the record date applicable to the original Annual General Meeting, that time will also apply for the purpose of determining the entitlement of shareholders to attend and vote (and for the purposes of determining the number of votes they may cast) at the adjourned Annual General Meeting. If, however, the Annual General Meeting is adjourned for a longer period then, to be so entitled, shareholders must be entered on the Company's register of members ("**Register of Members**") at the time which is 48 hours before the time fixed for the adjourned Annual General Meeting or, if the Company gives new notice of the adjourned Annual General Meeting, at the record date specified in that notice.
10. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 (nominated persons). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.
11. Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Companies Act 2006. Pursuant to the Companies (Shareholders' Rights) Regulations 2009 (*SI 2009/1632*), multiple corporate representatives appointed by the same corporate shareholder can vote in different ways provided they are voting in respect of different shares.
12. Any person holding 3% or more of the total voting rights of the Company who appoints a person other than the Chair of the meeting as his proxy will need to ensure that both he and his proxy comply with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules.
13. A quorum consisting of three or more shareholders present in person or by proxy is required for the Annual General Meeting. If, within half an hour after the time appointed for the Annual General Meeting, a quorum is not present the Annual General Meeting shall be adjourned for seven days at the same time and place or to such other day and at such other time and place as the Board may determine and no notice of adjournment need be given at any such adjourned meeting. Those shareholders present in person or by proxy shall constitute the quorum at any such adjourned meeting.
14. As at 20 March 2024, (being the last business day prior to the publication of this notice) the Company's issued share capital consisted of 969,316,623 Ordinary Shares carrying one vote each. Therefore, the total voting rights in the Company as at 20 March 2024 were 969,316,623 votes.
